

## Q88 LLC Announces Second AIS Feed

April 2<sup>nd</sup>, 2019

In the unending pursuit to provide the maximum value to clients, Q88.com is pleased to announce a 2<sup>nd</sup> AIS provider for all products. In addition to positions provided by VesselTracker, Q88 has entered into a data usage agreement with Spire Global.

Spire Maritime uses satellite AIS data and sophisticated APIs to enhance our vessel tracking, ship monitoring, and for viewing historic AIS data.

The combination of the two providers ensures that clients receive the most up to date and accurate vessel positions enabling them to make better decisions.
